Program Guidelines and rules

1. To conclude the event on time, there will be a limit on the number of programs allowed. The programs will be accepted on a first come, first serve basis. KAW program committee reserves the right to make any exceptions to this guideline based on circumstances.
2. Each participant is allowed to participate only in a maximum of one program (solo or group). This recommendation is to provide opportunities to more KAW members to perform during our events. Please let the program committee know before Aug 3rd, if you require an exception. KAW program committee reserves the right to grant or reject these requests.
3. Maximum duration limit for group program is 6 minutes, and solo program is 4 minutes. Please contact the KAW program committee before Aug 3rd, if your program requires more time than recommended. KAW program committee reserves the rights to grant or reject these requests.
4. KAW program committee reserves the rights to choose between group events or solo events, if the program registration exceeds the allowed max limit.
5. The program order is completely decided by the KAW program committee. No changes will be made once the order is published. Please contact the program committee if you have any requests pertaining to the program order before Aug 3rd. KAW program committee reserves the rights to grant or reject these requests.

Green room and stage usage and guidelines will be shared one week before the program.
